The Burleigh Bulletin

FROM THE OFFICE...

Dear Burleigh Hill Families,

It is hard to believe that the month of September has come and gone so quickly! Thank you to all of the families who were able to come out to our Meet the Teacher Breakfast on September 25th. It was great to start the day off with so many students and their families. We are also grateful for your support during our staffing and reorganization process. We know that it can be a stressful time for all involved and your understanding was a key component to the successful transition that we experienced.

As we head into a busy October, we want to take a minute to be thankful for all that we have as a school community. Burleigh Hill continues to be a welcoming, supportive and caring school that takes pride in its relationships with students and families. We are grateful for the amazing staff that fill the classrooms with love and learning, everyday and for the students that fill our classrooms with laughter and resilience. We truly do have so much to be appreciative of here at Burleigh Hill!

A reminder to please be sure to use the SafeArrival system to report your child's absence by accessing the app, website or calling 1-866-606-5567 if your child is going to be late or absent from school.

I wish you and yours a wonderful, fulfilling October.

Sincerely,
Mrs. Kristen Kosh, Principal

FROM PARENT COUNCIL...

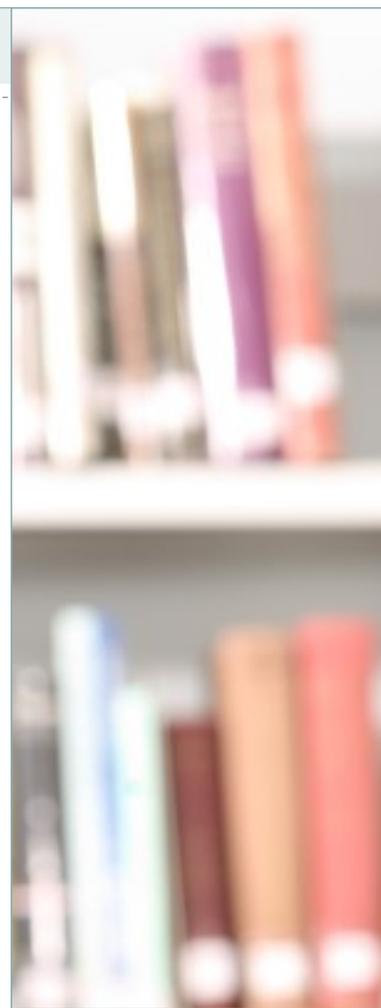

The Burleigh Hill Parent Council had its first meeting on Tuesday, September 24. It was well attended and the nomination and election results are as follows:

Chair- Amanda Duplessis
Co-Chair- Nancy Cook
Secretary- April McFadyen
Treasurer- Stephanie Hollender

The 2019-2020 Parent Council will be running some fundraising events in the upcoming months, as well as their annual Christmas Concert Bake Sale and Raffle.

A special thank you to the 2018-2019 Parent Council from all of our student athletes as the BHPC's generosity provided the school with brand new athletic jerseys!

The next meeting is scheduled for *Tuesday, October 22nd at 6:00pm* in the foyer and all are invited to attend!

SPECIAL POINTS OF INTEREST

- Don't forget to send a change of shoes during these rainy fall days!
- Follow us on Twitter @burleighhillps to see some of the great things happening here at Burleigh!

CROSS COUNTRY TEAM SUCCESS!

Congratulations to the members of the Junior/Intermediate Burleigh Hill Cross Country Team!

Students were invited to try out for the team early in September and as part of the DSBN requirements, they had to be able to complete the meet distance at a jog in order to be able to maintain a place on the team. All of our runners displayed fantastic effort and sportsmanship throughout the tryout process. In the end, we had 7 students represent Burleigh Hill at Burgoyne Woods. All of our runners made Burleigh Hill proud by trying their absolute best and showing how much their training paid off!

This year's Cross Country team members were: Scarlett H-G., Isabella D., Amir K., Kyle K., Aarya T., Liam M. and Troy M.

A special thank you on behalf of the team, staff and families of the team, goes out to Mrs. Feletar.

For nearly three full weeks, Mrs. Feletar volunteered her lunch time to support, coach and supervise the Cross Country team members while they trained. Your dedication to our students is greatly appreciated Mrs. Feletar!!

Great job to this year's Cross Country Team and Coach... next up, volleyball!

GROWTH MINDSET REMINDERS...

The way we talk about ability and learning can have powerful effects on our children's beliefs. Below are three ways parents can instill a growth mindset. And remember, developing a growth mindset in yourself and in your kids is a process that takes time. Have a growth mindset about developing a growth mindset!

- Recognize your own mindset: Be mindful of your own thinking and of the messages you send with your words and actions.
- Praise the process: Praising kids for being smart suggests that innate talent is the reason for success, while focusing on the process helps them see how their effort leads to success.
- Model learning from failure: When parents talk positively about making mistakes, kids start to think of mistakes as a natural part of the learning process.
